SHARMISHTHA PAL

+91 8953282818 | Greater Noida, Uttar Pradesh | sharmishthapal687@gmail.com | LinkedIn

PROFILE

Second-year B.Tech student in Electronics and Communication Engineering with hands-on experience in graphic design, UI/UX, social media content, and technology-focused projects. Skilled in Figma, Canva, C, Python, and HTML, with experience designing user-centric interfaces, digital campaigns, and hackathon solutions.

EDUCATION

B.Tech in Electronics and Communication Engineering | Galgotias College of Engineering and Technology, Greater Noida
Expected Graduation: July 2029

EXPERIENCE

Social Media Head — AI AgriRover | Aug 2026 – Present

- Planning LinkedIn content around AI-powered agriculture, robotics, precision farming, and the company's product-building journey.
- Developing premium, informative creatives and content series including Building AgriRover, Field Notes, and From Code to Crop.
- Translating technical concepts into accessible storytelling for a professional LinkedIn audience.

Graphic Designer — Creatrix Club, GCET | Sept 2025 – May 2026

- Designed event posters, banners, social media creatives, and digital assets for college events and student communities.
- Applied visual hierarchy, typography, layout, and branding principles to create clear and engaging communication.

PROJECTS & ACHIEVEMENTS

Yojna Setu — Government Scheme Eligibility Matcher | UI/UX & Hackathon Project

- Designed a Figma-based interface concept for discovering eligible government schemes, viewing required documents, and simplifying application assistance.
- Focused on accessibility, trust, clarity, and a user-friendly experience for citizens navigating complex government services.

Paytm Buildathon — Top 5 | Sept 2026

- Selected among the Top 5; UI/UX work was specifically appreciated as one of the strongest designs during the event.

Taylor & Francis Conference — LinkedIn Promotion | 2026

- Worked on LinkedIn content planning and promotional creatives to build awareness and registration interest around a departmental research conference.

UI/UX & Design Projects | Figma

- Created interface concepts, wireframes, posters, event banners, and digital creatives with emphasis on usability, accessibility, modern visual systems, and clear communication.
